BRASS BURNER DELIVERS PERFECT RESULT

Brass burners of MEX V7863TR hob retain heat more efficiently, spread heat more evenly resulting in a more optimal cooking end result. In addition, they are less likely to corrode and stain with time, meaning that they exhibit durability.

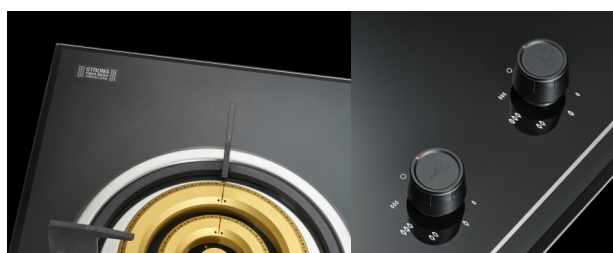

6.4 KW. TRIPLE RING-BURNER MAKES FASTER COOKING

The triple ring-brass burners combine the unique-flame cooking and the powerful 6.4 kW. burner make cooking faster and more convenient for variety of cooking menus, especially for Thai foods even in large quantities.

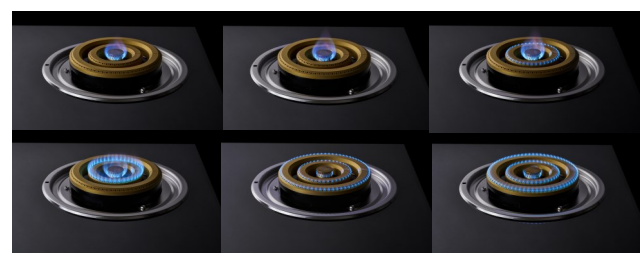

SAFETY MEETS STRONG FIBER MESH TEMPERED GLASS

Mex strong fiber mesh tempered glass offers security for the use of gas hob. The fiber mesh reinforces the tempered glass that is beneficial to prevent risks from thermal shock on the glass.

SLEEK EASY-TO-TURN CONTROL KNOBS

Easy-to-turn knobs special designed to control the flame easily in a row at the front of the hob. This V763TR specially offers 230 degree of flame level controlling to fit all your cooking menus.
